

Stephen Cassetari – Information and Course Requirements

Over the two days you will cover brushstrokes – an introduction to five basic strokes that are fundamental to the construction of Chinese painting and Chinese calligraphy – butterflies, bees and blossoms, landscape, and birds & flowers (including Australian flowers). These themes and techniques can also be applied individually to pottery, calligraphy, fabric design, porcelain painting etc.

This course is suitable for beginners, including children over 16 or continuing students. Stephen will provide additional tutoring for those with more experience.

Course Requirements

Chinese Painting Brush x 2 (Available from tutor @\$7)
