“Figures in the Landscape”

Materials List

- Big strong cartridge paper
- 1 Large canvas
- White acrylic paint (house paint is fine eg. Ceiling white.)
- Brushes from very large to small
- Water jars for brushes, rags
- Odourless turps
- Acrylic or Oil paints - Burnt umber, black, umbers, siennas, chromium yellow or whatever you like
- Charcoals, from dense to willow.
- A small collection of pictures of any landscapes from magazines e.g. Flinders Ranges etc.

We will be working intuitively, with lots of instruction, at merging the model with landscape imagery. We will be building up layers of texture and interest by use of multiple media.
